St Paul's CE Primary School
Behaviour and Culture Policy

Jesus offers life in all its fullness, and so we inspire our children to flourish and grow in school, the community and the wider world.

Our school is a safe and caring environment, with Christian values at its heart. Our school respects, and welcomes, all faiths, cultures and communities.

We ensure every child is valued, encouraging them to discover their gifts and potential.

Unique and precious in God's eyes, be the best that you can be.
Jesus said, 'I have come in order that you may have life – life in all its fullness.'
John 10:10

Introduction

"Good behaviour is a necessary condition for effective teaching and learning to take place and is an important outcome of education which society rightly expects."
Education Observed – HMI

The factors most often associated with good behaviour are

- Good relationships with mutual respect between staff and pupils
- Teachers' high expectations of their pupils' academic and social abilities
- Curriculum and teaching methods well matched to pupil needs
- The nurturing of pupils' growing maturity and self esteem

Our school policy is based on the belief that

- Good behaviour is not automatically learned but needs to be taught and supported by parents.
- Classroom behaviour can change and that we as teachers can assist children to manage their behaviour more effectively.
- A child with problems is the school's problem not an individual teacher's problem.

We consider that the best way to encourage good standards of behaviour in school is a clear code of conduct backed by a balanced combination of rewards and consequences within a positive community atmosphere.

Our school uses the Restorative Approach because at St Paul's CE Primary School, we believe that when negative incidents occur, the best way to put them right is to learn from our mistakes and work together to find a positive solution. We feel this approach positively supports our Christian Ethos and the values we encourage all children to have. Restorative Approaches looks at the harm caused, after a negative incident, rather than the punishment needed. Restorative Approaches teach children to think about the harm caused by their behaviour and the impact this may have on others. Please refer to our parent leaflet for more information.
We have an Inclusion Team in school, and part of their role is to support children with behaviour difficulties, so that they can successfully access their classroom and their learning and the outside environment. They will also help teachers and support staff to develop effective strategies for the classroom.
We also work with the LA Inclusion Service, which offers support for the Senco, teachers and staff training.

Aims

- To foster the shared values and Christian ethos of the school and the community of which it is a part in accordance with the Mission Statement.
- To create an atmosphere where everyone is valued and values others regardless of their race, gender, creed and ability.
- To create an atmosphere of mutual respect for others, honesty and fairness, tolerance and compassion and the virtues of self-respect and discipline.
- To make provision for a happy working atmosphere in school by promoting the pastoral care of children with staff giving support and guidance to each individual child.
- To consistently and fairly implement reward and consequence systems.
- To encourage children to accept varying degrees of responsibility, both in and out of the classroom with the purpose of promoting independence, self-reliance and trustworthiness.
- To encourage school/parental partnership, to promote standards of achievement and behaviour.

School Rules

Our school follows the Golden Rules:

Be gentle
Be kind and thoughtful
Be honest
Work hard
Look after property
Listen to people

These have been developed to be meaningful to the children and are designed to develop courtesy, good manners, mutual respect and a good attitude to their work. The rules are displayed in all classrooms and form a major part of our rewards and sanctions and should be followed in all areas of the school.
Stickers, praise, certificates, sharing of good work with other members of staff and class rewards are all in place to positively acknowledge those children whose behaviour is good. We also have a weekly Celebration Assembly to praise children from each class whose behaviour has stood out during that week. Their photograph is then placed on the Celebration board in the entrance hall.

- **Definitions**

For the purposes of this policy, the school will define "serious unacceptable behaviour" as any behaviour which may cause harm to oneself or others, damage the reputation of the school within the wider community, and/or any illegal behaviour. This will include, but is not limited to, the following:

- **Discrimination** – not giving equal respect to an individual based on age, disability, gender identity, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation
- **Harassment** – behaviour towards others which is unwanted, offensive and affects the dignity of the individual or group of individuals
- **Vexatious behaviour** – deliberately acting in a manner to cause annoyance or irritation
- **Bullying** – a type of harassment which involves personal abuse or persistent actions which humiliate, intimidate, frighten or demean the individual being bullied
- **Cyberbullying** – the use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature

- Possession of legal or illegal drugs, alcohol or tobacco
- Possession of banned items
- Truancy and running away from school
- Refusing to comply with disciplinary sanctions
- Theft
- Verbal abuse, including swearing, racist remarks and threatening language
- Fighting and aggression
- Persistent disobedience or disruptive behaviour
- Extreme behaviour, such as violence and serious vandalism
- Any behaviour that threatens safety or presents a serious danger
- Any behaviour that seriously inhibits the learning of pupils
- Any behaviour that requires the immediate attention of a staff member

For the purposes of this policy, the school will define "low-level unacceptable behaviour" as any behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to, the following:

- Lateness
- Low-level disruption and talking in class

- Poor attitude to completing classwork
- Rudeness and inappropriate language
- Being consistently unprepared for lessons eg no PE kit
- Consistently incomplete homework, or arriving at school without homework
- Disruption on public transport
- Use of mobile phones without permission
- Graffiti

"Low-level unacceptable behaviour" may be escalated to "serious unacceptable behaviour", depending on the severity of the behaviour.

• Staff induction, development and support

All new staff will be inducted clearly into the school's behaviour culture to ensure they understand its rules and routines and how best to support all pupils to participate in creating the culture of the school. Staff will be provided with bespoke training, where necessary, on the needs of pupils at the school to enable behaviour to be managed consistently.

The SLT will consider any appropriate training which is required for staff to meet their duties and functions in accordance with this policy, including on understanding matters which may affect a pupil's behaviour, e.g. SEND and mental health needs.

Members of staff who have, or are aspiring to have, responsibilities for leading behaviour or supporting pupil wellbeing will be supported to undertake any relevant training or qualifications.

Staff will know where and how to ask for assistance if they're struggling to build and maintain an effective culture of positive behaviour.

Staff voice will be considered when the school develops and refines its behaviour policies and procedures.

The SLT and the headteacher will review staff training needs annually, and in response to any serious or persistent behaviour issues disrupting the running of the school.

• Social, emotional and mental health (SEMH) needs

To help reduce the likelihood of behavioural issues related to SEMH needs, the school will create a safe and calm environment in which positive mental health and wellbeing are promoted, and pupils are taught to be resilient. The school will promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** – the health and wellbeing of pupils and staff is promoted through the curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** – the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing

All staff will be made aware of how potentially traumatic adverse childhood experiences, including abuse and neglect, can impact on a pupil's mental health, behaviour, and education. Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The school's SEMH Policy outlines the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

Behaviour Curriculum

Positive behaviour will be taught to all pupils as part of the behaviour curriculum, to enable them to understand what behaviour is expected and encouraged and what is unacceptable. Positive reinforcement will be used by staff where expectations are met to acknowledge good behaviour and encourage repetition. The behaviour curriculum will focus on defining positive behaviour and making it clear what this looks like, including the key habits and routines required by the school, e.g. lining up quietly outside the classroom before a lesson.

Routine will be used to teach and reinforce the expected behaviours of all pupils. Appropriate and reasonable adjustments to routines for pupils with additional needs, e.g. SEND, will be made. Consistent and clear language will be used when acknowledging positive behaviour and addressing misbehaviour.

Positive teacher-pupil relationships

Positive teacher-pupil relationships are key to ensuring good and acceptable behaviour. The school will focus heavily on forming positive relationships based on consistency, fairness and trust to allow teachers to understand their pupils and create a strong foundation from which behavioural change can take place.

Teachers will ensure the QFT&L Policy is followed, and that adaptive practice is used to ensure expectations placed on children are correct and matched to their ability.

- **Effective classroom management**

Well-managed classrooms are paramount to preventing disruptive and unacceptable behaviour. Effective classroom management will allow staff to:

- Start the year with clear sets of rules and routines that are understood by all pupils and are consistent across school.
- Have established agreed rewards and positive reinforcements.
- Have established sanctions for misbehaviour.
- Have agreed clear responses for handling behavioural problems.
- Encourage respect and development of positive relationships.
- Make effective use of the physical space available.
- Have well-planned lessons with a range of activities to keep pupils stimulated and engaged.

Subject to reasonable adjustments, e.g. those made for pupils whose SEND may affect their behaviour, pupils will be expected to follow the school rules which require pupils to:

- Conduct themselves around the school premises in a safe, sensible and respectful manner.
- Arrive to lessons on time and fully prepared.
- Follow reasonable instructions given by staff.
- Behave in a reasonable and polite manner towards all staff and pupils.
- Show respect for the opinions and beliefs of others.
- Complete classwork as requested.
- Hand in homework at the time requested.
- Report unacceptable behaviour to a member of staff
- Show respect for the school environment.

Classroom rules and routines

The school will have an established set of clear, comprehensive and enforceable classroom rules which define what is acceptable behaviour and what the consequences are if rules are not adhered to. Attention is given to how rules are worded, such as the use of positive language rather than negative, e.g. "act respectfully towards your peers and teachers", rather than "do not act disrespectfully towards your peers and teachers".

The school will also have an established set of classroom routines to help pupils work well, in the understanding that behavioural problems can arise due to the lack of a consistent routine. This includes teachers ensuring that before lessons begin, they

have the full attention of all pupils, then explaining the task clearly so all pupils understand what they are supposed to be doing.

The headteacher will ensure all teachers understand classroom rules and routines and how to enforce them, including any sanctions for not following the rules.

Teachers will support pupils to understand and follow classroom rules and routines. Teachers will inform pupils of classroom rules and routines at the beginning of the academic year and revisit these daily. Where appropriate, teachers will explain the rationale behind the rules and routines to help pupils understand why they are needed and will model rules and routines to ensure pupils understand them. Teachers will also explain clearly to pupils what will happen if they breach any classroom rules to ensure pupils are aware of the sanctions that may be imposed.

To support pupils' continued awareness and understanding of classroom rules and routines, teachers will reinforce them in a range of ways, e.g. placing posters of the rules on classroom walls and providing regular verbal reminders of the routines. Teachers will also ensure that classroom rules and routines remain consistent and are practised throughout the year to create a more productive and enjoyable environment.

At the beginning of the school year, pupils will be provided with a classroom rules agreement. All rules outlined in the classroom rules agreement are applicable to pupils' behaviour elsewhere on the school premises and outside of the school – teachers will ensure that pupils understand this.

Pupils will be confident in asking for help if they're struggling to meet expectations of behaviour in the classroom. Individually targeted pastoral support will be provided to these pupils when necessary, and to those pupils who we know have some difficulties around heir behaviour with a SEN Support Plan or EHCP.

The classroom environment

The school understands that a well-structured classroom environment is paramount to preventing poor behaviour. This includes the teacher positioning themselves effectively within the classroom, e.g. wherever possible, teachers avoid standing with their backs to pupils and ensure they always have full view of the room.

Teachers will employ strategic seating arrangements to prevent poor behaviour and enable it to be noticed early, such as:

- Seating those who frequently model poor behaviour closest to, and facing, the teacher.

Seating those who frequently model poor behaviour away from each other.

Ensuring the teacher can see pupils' faces, that pupils can see one another, and that they can see the board.

Ensuring the teacher/teaching assistant can move around the room so that behaviour can be monitored effectively.

Praise and Rewards

The school will recognise that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. When giving praise, teachers will ensure:

- They define the behaviour that is being rewarded.
- The praise is given immediately following the desired behaviour.
- The way in which the praise is given is varied.
- Praise is related to effort, rather than only to work produced.
- Perseverance and independence are encouraged.
- Praise is only given when a pupil's efforts, work or behaviour need to be recognised, rather than continuously without reason.
- The praise given is always sincere and is not followed with immediate criticism.

Whilst it is important to receive praise from teachers, the school understands that peer praise is also effective for creating a positive, fun and supportive environment. Teachers will encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

As with praise, the school understands that providing rewards after certain behaviour means that pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.
- **Fair** – making sure all pupils are rewarded fairly.

Rewards for good behaviour will include, but are not limited to:

- Verbal praise
- Communicating praise to parents
- Certificates, stickers, prize ceremonies and special assemblies
- Positions of responsibility, e.g. being entrusted with a particular project

- Trips and activities for a whole-class or year group

• Effective pupil support

The school recognises that the core purpose of providing alternative provision for pupils who struggle to meet expected standards of behaviour is to successfully integrate them back into the regular classroom environment. Alternative provision may also be required for pupils with additional needs.

Designated inclusion staff will have clearly defined responsibilities, enabling pupils to receive the most effective support. Designated inclusion staff will also have an accurate view of the needs of identified pupils.

Designated staff will engage with external partners and specialist agencies to access further appropriate support when required.

• Managing behaviour

Instances of unacceptable behaviour will be taken seriously and dealt with immediately. Staff will respond promptly, predictably and with confidence to maintain a calm, safe learning environment. Staff will consider afterwards how to prevent such behaviour from recurring.

A record of reported incidents will be logged on CPOMS to help identify pupils whose behaviour may indicate potential mental health or safeguarding problems. All staff will be alert to changes in a pupil's behaviour that could indicate they need help or protection.

Pupils will be made aware of the support structures in place to help them manage their behaviour and how to engage with those structures when needed.

Support, such as targeted discussions with pupils, a phone call with parents, and inquiries into circumstances outside of school by the DSL, will be provided alongside the use of sanctions to prevent the misbehaviour recurring. After an initial incident of negative behaviour, the following sanctions will be considered, with staff using their professional judgement and experience to determine what is appropriate and reasonable:

- Issuing a verbal reprimand and reminder of the expected behaviour
- A restorative meeting between staff and child or children

- Removal of privileges
- School-based community service, e.g. tidying the classroom
- Missing a playtime or part of lunchtime

Where a pupil's misbehaviour is causing significant disruption or is deemed serious enough by a staff member, the following procedures will be followed:

- The pupil is sent to the Headteacher immediately or, in the Headteacher's absence, the most senior member of staff.
- A senior leader investigates the incident and decides whether it constitutes unacceptable behaviour.
- If it is decided that the incident constitutes unacceptable behaviour, they will record the incident on CPOMS.
- Where deemed necessary, e.g. after other behavioural strategies in the classroom have been attempted or the behaviour is so extreme as to warrant immediate removal, the pupil will be removed from the classroom – a senior leader will determine the period the pupil will be removed from the classroom.
- The senior leader will inform the pupil's parents on the same day, where possible, following a decision to remove their child from the classroom, and invite them to discuss the incident.

Following repeated incidents of unacceptable behaviour, the following sanctions will be implemented:

- The Headteacher will consider whether the pupil should be suspended, in line with the school's Suspension and Exclusion Policy, and will determine the length of the suspension
- Although unacceptable behaviour does not necessarily mean a pupil has SEND, an assessment will be carried out at this stage to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour
- Where a pupil is identified as having SEMH-related difficulties, SEND support will be put in place from the school's national SEND budget
- Where SEND is not identified, but the headteacher determines that support is still required for the pupil, an Individual Behaviour Plan will be created to outline the necessary provisions in place

Following further incidents of unacceptable behaviour, the following sanctions will be implemented:

The headteacher will consider whether a permanent exclusion is necessary, in line with the school's Suspension and Exclusion Policy, alongside alternative options such as a managed move or off-site direction to improve behaviour.

For disciplinary sanctions to be lawful, the school will ensure that:

- The decision to sanction a pupil is made by a paid member of school staff, or a member of staff authorised to do so by the Headteacher.
- The decision to sanction a pupil is made on the school premises or whilst the pupil is under the charge of a member of staff, such as during an educational trip or visit.
- The decision to sanction a pupil is reasonable and will not discriminate on any grounds, e.g. equality, SEND or human rights.

The school will ensure that all disciplinary sanctions are reasonable in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs, any SEND, and any other contributing factors, e.g. bullying, safeguarding or home life issues.

• Prevention strategies, intervention, and sanctions for unacceptable behaviour

This section outlines the school's strategies for preventing unacceptable behaviour and initial interventions, minimising the severity of incidents, and using sanctions and support effectively and appropriately to improve pupils' behaviour in the future.

Initial interventions

A range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of more severe sanctions will be used. Support will consider the pupil's specific needs and may be delivered outside of the classroom, in small groups or in one-to-one activities. A system will be in place to ensure relevant members of the SLT and pastoral staff are aware of any pupil that is:

- Persistently misbehaving.
- Not improving their behaviour following low-level sanctions.
- Displaying a sudden change in behaviour from previous patterns of behaviour.

Examples of initial interventions to address misbehaviour will include, but are not limited to, the following:

- Frequently engaging with parents, including home visits where necessary

- Providing mentoring support and coaching
- Short-term behaviour report cards
- Long-term behaviour plans
- One-page profiles
- Engagement with local partners and agencies
- Where the pupil has SEND, an assessment of whether appropriate provision is in place to support the pupil, and if the pupil has an EHC plan, contact with the LA to consider a review of the plan

A multi-agency assessment, such as an early help assessment, that goes beyond a pupil's education will be considered where serious concerns about a pupil's behaviour exist.

Preventative measures for pupils with SEND

Behaviour will always be considered in relation to a pupil's SEND. If it is deemed that a pupil's SEND has contributed to their misbehaviour, the school will consider whether it is appropriate and lawful to sanction the pupil.

Where a pupil is identified as having SEND, the graduate approach will be used to assess, plan, deliver and review the impact of support being provided.

The school will aim to anticipate likely triggers of misbehaviour and put in place support to prevent these, considering the specific circumstances and requirements of the pupil concerned. Measures the school will implement where appropriate include, but are not limited to, the following:

- Short, planned movement breaks for a pupil whose SEND means they find it difficult to sit still for long
- Ensuring a pupil with visual or hearing impairment is seated in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or relevant medical condition
- Training for staff in understanding autism and other conditions
- Adaptive practice used in all lessons, following school teaching policy
- Additional support in place in the classroom for children who may need it

De-escalation strategies

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation. This will include:

- Appearing calm and using a modulated, low tone of voice.
- Using simple, direct language.
- Avoiding being defensive, e.g. if comments or insults are directed at the staff member.
- Providing adequate personal space and not blocking a pupil's escape route.
- Showing open, accepting body language, e.g. not standing with their arms crossed.
- Reassuring the pupil and creating an outcome goal.
- Identifying any points of agreement to build a rapport.
- Offering the pupil a face-saving route out of confrontation, e.g. that if they stop the behaviour, then the consequences will be lessened.

- Rephrasing requests made up of negative words with positive phrases, e.g. "if you don't return to your seat, I won't help you with your work" becomes "if you return to your seat, I can help you with your work".

Physical Intervention (All staff are Team Teach trained – February 2026)

In line with the school's physical intervention policy, the LA Care and Control Guidance, trained members of staff will have the legal right to use reasonable force to prevent pupils from committing an offence, injuring themselves or others, or damaging school property, and to maintain good order and discipline in the classroom.

Physical restraint will only be used as a last resort and as a method of restraint. Staff members will use their professional judgement of the incident to decide whether physical intervention is necessary. The situations in which physical restraint may be appropriate are detailed in the Physical Intervention Policy. Wherever possible, staff will ensure that a second member of staff is present to witness the physical intervention used.

After an instance of physical intervention, the Headteacher and parents must be made aware of the incident and a form completed, Where appropriate, the Headteacher may decide to temporarily remove the pupil from the school via a suspension. Where suspension is carried out, the pupil's parent will be asked to collect the pupil and take them home for the rest of the day – pupils will not be sent home without the school contacting their parent.

Any violent or threatening behaviour will not be tolerated by the school and may result in a suspension in the first instance. It is at the discretion of the Headteacher to determine what behaviour necessitates an exclusion, in line with the Suspension and Exclusion Policy.

When using reasonable force in response to risks presented by incidents involving pupils with SEND or medical conditions, staff will recognise and consider the vulnerability of these groups.

Removal from the classroom

The school may decide to remove pupils from the classroom for a limited period, at the instruction of a member of staff.

The pupil will be moved to a room that is:

- In an appropriate area of the school.
- Able to meet the needs of the child.
- Suitable to learn and refocus.
- Supervised by trained members of staff.

The school will only remove pupils from the classroom where necessary and for the following reasons:

- To maintain the safety of all pupils and restore stability following an unreasonably high level of disruption
- To enable disruptive pupils to be taken to a place where education can continue in a managed environment
- To allow the pupil to regain calm in a safe space

The school will ensure that pupils' health and safety is not compromised during their time away from the classroom, and that any additional requirements, such as SEND needs, are met.

The amount of time that a pupil spends removed from the classroom will be up to the school to decide. This could be for more than one school day. The school will ensure that the pupil is not removed from the classroom any longer than necessary.

The staff member in charge and supervising the pupil will decide what the pupil may and may not do during their time spent removed from the classroom. The headteacher will request that the pupil's class teachers set them appropriate work to complete.

The Headteacher will establish a clear process for the reintegration of a pupil who has been removed from the classroom when it is deemed appropriate and safe for them to return. Consideration will be given to what support is needed to help the pupil return and meet the expected standards of behaviour. Reintegration meetings will be held between the school, pupil and their parents, and other agencies if relevant, where necessary.

Pupils will be permitted to eat during the allocated times of the school day and may use the toilet as required.

- **Sexual abuse and harassment**

The school will promote and enforce a zero-tolerance approach to all forms of sexual abuse and harassment, including sexual harassment, gender-based bullying and sexual violence. The school's procedures for handling child-on-child sexual abuse and harassment are detailed in the Child-on-Child Abuse Policy.

The school will respond promptly and appropriately to any sexual harassment complaints in line with the Child Protection and Safeguarding Policy; appropriate steps will be taken to stop the harassment and prevent any reoccurrence. Disciplinary sanctions for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents.

Where the school is responding to a report of sexual violence, the school will take immediate steps to ensure the victim and other pupils are protected. The DSL will work closely with the police, and any other agencies as required, to ensure that any action the school takes, e.g. disciplinary sanctions, will not jeopardise the police investigation.

- **Smoking and Controlled Substances**

The school will follow the procedures outlined in its Smoke-free Policy and Pupil Drug and Alcohol Policy when managing behaviour regarding smoking and nicotine products, legal and illegal drugs, and alcohol.

In accordance with the Health Act 2006, the school is a smoke-free environment. Parents, visitors, staff and pupils will be instructed not to smoke on school grounds. Pupils will not be permitted to bring smoking materials or nicotine products to school.

The school will have a zero-tolerance policy on illegal drugs, legal highs and other controlled substances. Where incidents with pupils related to controlled substances occur, the school will follow the procedures outlined in the Pupil Drug and Alcohol Policy and Child Protection and Safeguarding Policy.

- **Prohibited items, searching pupils and confiscation**

Headteachers and staff authorised by them will have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for

suspecting that the pupil may have a prohibited item. Authorised members of staff will be permitted to use reasonable force when conducting a search without consent for the prohibited items listed below, in line with the school's Physical Intervention Policy. The prohibited items where reasonable force may be used are:

[This was created using the DfE's 'Searching, Screening and Confiscation' guidance. To search for any items not prohibited by school rules, staff will require the consent of the pupil being searched.]

- Knives and weapons.
- Alcohol.
- Illegal drugs.
- Stolen items.
- Tobacco and cigarette papers.
- Fireworks.
- Pornographic images.
- Any article that the member of staff reasonably suspects has been, or is likely to be, used:
  - To commit an offence; or
  - To cause personal injury to any person, including the pupil themselves; or
  - To damage the property of any person, including the pupil themselves.

Pupils will not be permitted to use their mobile phones during the course of the school day in accordance with school policy. Any pupil found using their mobile phone during the school day will have their device confiscated, and it will only be returned to the parent of the child at the end of the day. If the phone is used more than once inappropriately, then there will be a period of time when the child can't bring their phone to school at all, the length of time to be decided by the Headteacher.

Mobile phones will be handed in on arrival – pupils will be permitted to access their mobile phones before and after school outside the school gates but will be required to hand their phone in at the beginning of the school day to be collected at the end of the school day. Phones will then be sent to the office to be stored securely for the day.

Staff members will have the power to search a pupil or their possessions where they have reasonable grounds to suspect a pupil is in possession of a prohibited item. Mobile phones and similar devices will be items that staff may search for.

The school will also identify the following as prohibited items which may be searched for by authorised staff without consent if necessary; however, reasonable force will not be used under any circumstances:

- **E-cigarettes and vapes**
- **Lighters**
- **Aerosols**
- **Legal highs/psychoactive substances**
- **Energy drinks**
- **Mobile phones**

All members of staff can use their power to search without consent for any of the items listed above. Staff will follow the provisions outlined in the school's Searching, Screening and Confiscation Policy when conducting searches and confiscating items.

• Behaviour outside of school premises

Pupils at the school must agree to represent the school in a positive manner. The guidance laid out will apply both inside school and out in the wider community, particularly if the pupil is dressed in school uniform.

Staff can sanction pupils for misbehaviour outside of the school premises, including conduct online, provided the pupil is:

- Wearing school uniform.
- Travelling to or from school.
- Taking part in any school-related activity.
- In any way identifiable as being a pupil at the school.

Staff may also sanction pupils for misbehaviour outside the school premises, including conduct online, that:

- Could negatively affect the reputation of the school.
- Could pose a threat to another pupil, a member of staff at the school, or a member of the public.
- Could have repercussions for the orderly running of the school.

Any bullying, including cyberbullying, witnessed outside of the school premises and reported to the school will be dealt with in accordance with the Anti-bullying Policy.

The school will impose the same sanctions for bullying incidents and non-criminal misbehaviour witnessed or reported outside of the school premises as would be imposed

for the same behaviour conducted on school premises. In all cases of unacceptable behaviour outside of the school premises, staff will only impose sanctions once the pupil has returned to the school premises or when under the supervision of a member of staff.

Complaints from members of the public about the behaviour of pupils from the school are taken very seriously and will be dealt with in accordance with the Complaints Procedures Policy.

• Data collection and behaviour evaluation

The school will collect data from the following sources:

- Behaviour incident data, including on removal from the classroom
- Attendance, permanent exclusion and suspension data
- Use of pupil support units, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Anonymous surveys for staff, pupils, governors, and other stakeholders on their perceptions and experiences of the school behaviour culture

The data will be monitored and objectively analysed termly by the headteacher and the SLT. Attempts will be made to identify possible factors contributing to the behaviour, any system problems or inadequacies with existing support. The data will also be analysed considering the protected characteristics under the Equality Act 2010 to inform school policies and practice.

Staff will help to paint a whole-school picture of an effective behaviour culture by being held accountable for their part in maintaining the school's behaviour systems and processes.

• Monitoring and review

This policy will be reviewed by the Headteacher and the Governing Board on an annual basis; they will make any necessary changes and communicate these to all members of staff and relevant stakeholders.

This policy will be made available for Ofsted inspections and reviews by the lead inspector, upon request.

The next scheduled review date for this policy is **Autumn 2027.**
